Si ricorda che i prodotti della Mendini Collection potrebbero subire variazioni nelle tonalità colore dovute alla lavorazione hand-made.

Si consiglia l'applicazione in interni e si raccomanda lo stoccaggio a temperature superiori ai 0°C/32°F.

The Mendini Collection' products could suffer variations of the shades colour due to their hand-made production. The Mendini Collection is recommended only for interior applications and storage at temperature higher than 0°C/32°F.
